

## **LUNG & WELLNESS CENTERS**

### **Notice of Late Fees/Replacement Costs**

At Lung & Wellness Centers we strive to complete home sleep studies (HST) in a timely manner to ensure that the physician and patient receive test results as quickly as possible. In order to ensure that we are maintaining this standard of care, it is important to return the HST unit back on the day that has been arranged. Rezk Medical Supply will contact you to arrange pick up of the unit. If for any reason you cannot return the unit please call our office immediately. There will be a \$50.00 per night fee charged if the unit is not returned and/or alternate arrangements were not made.

Please understand the home sleep testing unit is a very expensive piece of equipment. If the unit is not returned or is deliberately damaged, you will be responsible for a \$2500.00 replacement cost.

By signing below, you are acknowledging that you have been advised of the replacement costs and late fee policy.

**Please return the HST unit to:**
